

HEALTHCONNECT WEEK 8

PROJECT SUMMARY

Data Analytics Track

AnalystLab Africa - Experience Lab

1. WHAT I PLANNED TO ACCOMPLISH

- Finalize analytics work
- Create executive summary
- Prepare presentation
- Record video
- Document cross-track collaboration

2. WHAT I COMPLETED

- Final dashboard with validated KPIs
- Executive summary
- Presentation slides (8 slides)
- Video presentation (4 minutes)
- Cross-track integration record

3. WHAT I IMPROVED FROM WEEK 7

Week 7 Output	Week 8 Final
-----	-----
Tested dashboard	Finalized dashboard
Validated KPIs	Documented final KPIs
Testing report	Executive summary
Preparation	Presentation ready

4. WHAT I INTEGRATED

- Shared final analytics with Data Science
- Aligned on key predictors

- Documented joint findings
- Prepared for final presentation

5. WHICH TRACK(S) I COLLABORATED WITH

- Data Science Track

6. WHAT WAS EXCHANGED

Provided:

- Validated KPIs
- Segment analysis
- Feature recommendations

Received:

- Feature importance
- Model insights

7. WHAT CHANGED AS A RESULT

- Better understanding of no-show drivers
- Validated insights for recommendations
- Aligned approach to prediction

8. KEY FINDINGS OR VALIDATION OUTCOMES

- No-Show Rate: 48.5% [VALIDATED]
- Attended Rate: 46.3% [VALIDATED]
- Total Appointments: 5,000
- Reminder Effectiveness: 4.0% [VALIDATED]
- All KPIs validated

9. MAJOR CHALLENGES ENCOUNTERED

- Time constraints
- Coordinating video recording
- Ensuring all deliverables complete

10. IMPORTANT DECISIONS MADE

- Finalized dashboard with validated findings
- Prioritized recommendations by impact
- Structured video for clarity

11. REMAINING LIMITATIONS

- 1,516 missing values in dataset
- Limited patient satisfaction data
- Missing demographic information
- No external data (weather, traffic)

12. REMAINING ISSUES OR DEPENDENCIES

- Booking Lead Days needs further investigation
- Production deployment pending

13. CONTRIBUTION TO OVERALL HEALTHCONNECT PROJECT

- Validated analytics for model development
- Provided evidence for recommendations
- Ready for final integration

14. WHAT MUST BE COMPLETED BEFORE FINAL SUBMISSION

- Record video presentation
- Upload all files to Google Drive
- Submit via official form
